

Rising out of their membership and activities there is self-generating goodwill, a sense of belonging, a diverse background of interests, fellow feeling and cordiality evident within the Clubs, ensuring for **PROBUS** a highly successful future as a firmly established part of the community.

This has proved to be a very successful basis for serving the needs of retirees in the many countries in which the **PROBUS** movement is now flourishing.

Lantzville Probus has more than 200 members. New members are welcome.

## OUR BEGINNINGS

Lantzville Probus was formed in October 2001 when it was sponsored by the Lantzville Rotary Club. We celebrated our 10<sup>th</sup> anniversary in 2011.

It is a club in which both men and women play an active role.

At last count there were more than twenty activity groups ranging from bridge to walking with crafts, drama, golf, hiking, photography and poker along the way. If there is not an activity group for you but there is an interest you are encouraged to form one.

## WHAT IS PROBUS?

The word **PROBUS** is an abbreviation of the words **PRO**fessional and **BUS**iness, but membership is not restricted to these two groups. It also embraces former executives of government and other organizations and, in fact, anyone who has had some measure of responsibility in any field of endeavour.

The basic purpose of a **PROBUS CLUB** is to provide regular gatherings to those who, in retirement, appreciate and value opportunities to meet others in similar circumstances and of similar levels of interest.
